

Notice of the Government of Nepal regarding support for the Earthquake Victims of Nepal

[Unofficial translation by the Embassy of Nepal in Washington, D.C.]

Government of Nepal

Office of the Prime Minister and Council of Ministers

Official
Seal

Letter No.

Ref. No.

Singhadurbar
Kathmandu
Nepal

An earthquake that struck the Western Nepal with epicenter at Jajarkot district on 3rd November 2023 has caused huge loss of lives and properties. Office of Prime Minister and Council of Ministers expresses heartfelt tributes to the people who lost their lives, and deep condolences to the bereaved family members, as well as speedy recovery for the injured. At this sad moment, the Government sincerely thanks individuals and institutions who have been actively involved in search, rescue and relief efforts in the affected areas. The Government appreciates the continuation of such efforts and requests for additional support.

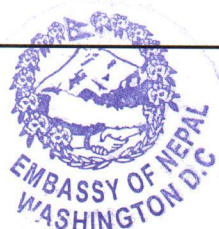

At this difficult hour, all interested individuals in Nepal and abroad who wish to support the people of the affected areas may send their financial contribution to the following bank accounts of the Prime Minister's Disaster Relief Fund.

Account: Prime Minister's Disaster Relief Fund

Appeal of the Embassy of Nepal, Washington, D.C.

The Embassy would be grateful to all individuals and institutions for their generous support to the people of Nepal at this difficult time. If the individuals and institutions could inform the Embassy of their contribution, the Embassy will keep record of such support and report to the Office of the Prime Minister and Council of Ministers of the Government of Nepal as part of the contribution made from the United States.
